## BAM! Directions

I created this game using resources from <http://www.freereading.net>.  
For more activities you can do using the word cards, visit  
[http://www.freereading.net/index.php?title=Irregular\\_Word\\_II\\_Activities](http://www.freereading.net/index.php?title=Irregular_Word_II_Activities)

1. Cut and laminate all cards.
2. Place cards in a bag or bucket.
3. Gather students in a circle and give the bag to the first student.
4. The student draws a card and read the word.
5. The group will give a 👍 or a 👎 or to show if the reading is correct.
6. If the student is correct, they keep the card. If they are incorrect, they return the card to the bag.
7. The bag is passed to the next student and play continues in this manner around the circle.
8. If a student pulls a BAM! Card, they must return all word cards in their hand back to the bag. Do NOT return the BAM! Card.
9. The game ends when all word cards have been pulled and correctly read.
10. The student with the most word cards wins!
